

1. Overview

FitPulse is a mobile application that provides personalized workout plans, nutrition guidance, and wellness tips for everyday users.

It is designed for students, working professionals and fitness enthusiasts who want to stay healthy but struggle with time or routine.

The app offers affordable, expert-backed fitness solutions through interactive tools and a user-friendly dashboard.

2. Competitor Analysis

GymBuddy - Instagram, YouTube

Focus: Workout reels, transformation videos

Strength: Strong engagement through visually appealing content

NutriGuide - Facebook, Pinterest

Focus: Diet tips, healthy meal plans

Strength: Medium engagement with a loyal audience

3. Content Strategy

Tone & Messaging:

Motivational, supportive, energetic, and trustworthy.
